Saturday Night Social Dancing

Live Music

On Saturday night, enjoy the unique experience of dancing to live music as a talented musician performs a selection of popular clogging songs. Every routine will be cued, just like a regular night of social dancing, so you can relax, have fun, and dance along with confidence.

Come along and experience the energy and excitement of clogging to live music for yourself!

Red Carpet Night

Saturday night will have a movie dress up theme to honour the iconic Gold Coast Movie World. Dress as your favourite movie character / actor / actress / director and strike a pose on the red carpet.

Cueing, Demos and Instructing

To request to cue, teach a workshop or perform a demonstration, please complete the Cuer / Instructor / Demo Registration Form. **The Cuer/Instructor/Demonstration registration deadline is 1 July 2027.** Programming is at the discretion of the convention committee. To complement our movie-themed convention, we encourage you to choose a movie-themed routine or music for demo performances, although this is completely optional.
